### **MISCELLANEOUS BUSINESS**

On motion of Representative Barth, the following remarks were spread upon the pages of the journal.

#### **TRIBUTES TO REPRESENTATIVE JOHN B. ARRINGTON**

##### **(Remarks by Representative John B. Arrington)**

I would like to introduce members of my family who are here in the balcony today. Would you please stand? I am very proud of them and would especially like to introduce our grandson, Brandon Johnson. Brandon has (you will remember his mother, those of you who have been here for a few years, was a secretary for a few years) been appointed as an intern for Senator Hatch back in Washington. He'll be leaving right away and I wanted you to know that. The reason my family is here today is because there is no school, but also I'm going to buy their lunch. Vera and I have sixteen grandchildren and twelve great grandchildren. Their are two signs on our piano at home. One says, "If I would have known grandchildren were this much fun, I would have had them first." And the other one is, "A mess is easier to remove than a bruise left on a child with harsh words." We believe that philosophy.

I have been in public office for thirty years. For the last thirty years I have faced the voters in my district every two years. That's fifteen times. I do not intend to run for re-election this year. I probably have the best record in history; of the three bills I have filed in the last twenty years, all have passed and are now in code. What a great experience this has been and my family has supported me fully and I do appreciate all their input. To you who are serving now as well as those in the past, I offer my sincere thanks. One of the things I have learned is that all of us are friends, and even though some vote one way and others another way, it is gratifying that we have differences. Thank you one and all.

(Applause) Thank You. (Extended Applause) Enough is enough!

##### **(Remarks by Representative Dave Jones)**

Mr. Speaker, I would just simply like to offer a couple of comments (very briefly but very sincerely) and had I known today that Jack was actually going to make this announcement my comments would have been much longer. So I am

sure he was trying to spare you that. I just want to say that speaking on behalf of the Democratic caucus, we feel we are losing a true leader. Jack has been here much longer than any of us, and it is an absolute pleasure to have served with him. I think most of all I am going to miss his sense of humor; and I am going to miss his outright stubbornness, but he is one of the great legislators that we have had. Jack, from the Democratic caucus especially, we want to express our love for you and Vera and our sincere appreciation for your years of fine fine service. You are somebody we all look up to and we all hope to emulate. You are your own man and always have been and we love you.

**(Remarks by Representative Christine Fox-Finlinson)**

We are all taken a bit by surprise by this announcement. From this side of the aisle, we say that we will miss you. You are a fine legislator and gentleman. We respect you for your courage and most of all we appreciate you as our friend. We wish you well our friend.

**(Remarks by Representative Martin Stephens)**

Just a quick comment from a fellow Weber County-ite. Jack has been a good friend since the day I was elected ten years ago to this body. His grandson has been a neighbor of mine for some time. I know his son has lived in my district also. What a great representative he has been to the people. One of the things that has been interesting about Jack, is the volunteer work and the things that Jack does on a weekly basis; but he has just been the kind of representative that I think all of us could look up to in his private life as well as what he does in the public. We are going to miss Jack greatly (Jack and Vera both). Thank you.

**(Remarks by Representative Evan Olsen)**

Jack and I were elected to this body at the same time and in the meantime we have become very good friends along with his dear wife, Vera. One time in Nashville, Tennessee, we were there at a convention, Vera and I were the only ones that would get on the Cannonball. Everyone else was afraid to. The Cannonball goes and makes several revolutions and she had courage enough to go. I would like to pay tribute to her and to Jack; they are an example that we all ought to look to as good honest people that we ought to be making our lives like. Good luck in your future, Jack and Vera, and we love ya.

**(Remarks by Representative Bill Hickman)**

I was going to ask Rep. Arrington if he would yield to a question, but knowing the answer I would get, I decided that I had better not. You've heard a lot of great

things about Rep. Arrington, I haven't been here nearly as long as Rep. Olsen and Rep. Arrington and I don't think that's all bad, but I do want to tell you what a delight it has been to work with Rep. Arrington. We have been on Judiciary together and we have been through the Harward years together and that was a great experience. I want Rep. Arrington to know that we all think that he is a fine, fine gentleman and has been an excellent representative for his district. He has served his people well and has been a great friend and we wish him the best in the future.

**(Remarks by Representative Kevin Garn)**

Fellow representatives, a number of years ago I made a remark to somebody, I can't remember who it was, that I really liked these Hershey's Special Dark chocolates and ever since I made that remark, every once in a while a handful of these just appear on my desk. I have never figured out where they came from, but I have got it on pretty good authority now that Rep. Arrington, every once in a while, sneaks over to my desk and leaves me a handful. I really appreciate Rep. Arrington. I had an opportunity to serve with him on Education Appropriations and that is where our friendship really started, he had a great impact on that committee. When he spoke, we listened, he has had a great influence on that budget for years. I appreciate his friendship and I appreciate the fact that he has been so thoughtful to me over the years. Thank you Jack, we are going to miss you and Vera. Thanks.

**(Remarks by Representative Carl Saunders)**

I probably have known Jack Arrington for longer than anyone else in this body. We go clear back to the Twentieth Street gang, Twenty-first Street gang in Ogden and clear back into the 1940's since we have known one another. He and I and Representative Olsen came down to this body, to this House, the same year 1979. I took a leave of absence for a few years; but Jack and I have been close friends over the years and we both belong to the same Lions Club, the Ogden Lions Club, and he has served as our treasurer of that club voluntarily for so many years I don't remember how many years. How many Jack? Twenty years as treasurer of the Ogden Lions Club. He has been an ardent supporter of the causes of the people that are sight impaired and many other groups that he has befriended and been an advocate for over the years. I've always respected and admired Jack for the way he stands up for the things that he knows are right. I would like to add my remarks and my accolades to him and salute him for the public service and he that he has rendered as well as for the friendship that he and Vera have extended to me and my wife. Thank you.

**(Remarks by Representative Don Bush)**

When I was first elected to this body ten years ago, the first person that welcomed me here was Jack Arrington. He sent me a note or phone call or both, I

forget now which it was; but he welcomed me into this body and congratulated me and I thought that was great and we have been good friends ever since. On many occasions Vera and Jack and Ann and I have ridden together with one of us picking up the other to go to some of the meetings we've had or the socials we've had and it has been a very great friendship. I might say that I don't know what it is that Jack has, but everyone seems to hug him. I think my wife has hugged him more than she has me since we have been in this body. Some people just have it and some don't I guess and that is all right. If you've got it, why you just better live with it. But I certainly have appreciated Jack and Vera throughout the years. Thank you.

**(Remarks by Representative Peter Knudson)**

Jack and I and our wives have known each other for a lot of years going back to 1974 or 1973 when we both were city council members, he for Odgen City and I for Brigham City. We had a lot of great experiences through the Utah League of Cities and Towns. There were a lot of fun times and you'll have to ask Jack to share with you one of those experiences. I won't take the time now to do it, but he tells the story well regarding the Alex Hertado and a trip to Puerto Rico. I am sure he would be happy to share some of those experiences. He mentions he had three bills in his years here that passed. There is a lesson in that somewhere. In terms of the volume of legislature maybe we could all think in terms of cutting back on the bills that we try to present. That's just a thought. I want to thank Jack for everything and our friendship and it will continue; but he does know where to put the emphasis where it counts. Up here in the gallery we see where that emphasis counts. I admire you and respect you and love you, Jack, for our great friendship. Thank you.

**(Remarks by Representative Daniel Tuttle)**

It has been really hard sitting back here next to Jack. He has the cleanest desk, bar none, anybody anywhere; and it has been my privilege and joy to sometimes put my stuff on his desk so he would have to throw it away. And any of you feel free, feel welcome to come back here and just put some of your junk on his desk because it is so clean. He is one of the nicest people I have ever met, one of the cleanest too. And his wife has always treated us so well. We will miss you.

**(Remarks by Speaker Melvin R. Brown)**

Thirty-seven years ago I was a high school basketball coach and Jack was a referee. You know what I always said about referees in basketball, "Some are just worse than others." (laughter) But anyway Jack and Vera, as many of you might know, Vera is originally from up in Morgan county, at least her family is, and our families have known each other for several generations. It has been a pleasure to work with Jack and wish him the best. We hope that he has good health and he and Vera are able to enjoy their retirement and do whatever they want and have fun.
